

Optician:

We are looking for a passionate individual to join our vision care team.

Family Vision is looking for an individual that enjoys working directly with children and adults to be part of a team dedicated to enhancing patient's quality of life by improving their vision related to education, work, and play. A qualified applicant will have excellent customer service skills, patience, and will pay attention to details. We are looking for someone who is a lifelong learner, excellent communicator, organized, goal oriented, and enjoys helping others reach their full potential. You must be able to think critically and be adaptable. A background in the medical field or sales is helpful but not required. You will be required to gain professional certification as you progress in the position, so a willingness to learn new skills is essential.

As an Optician, you will work one on one with patients fitting, adjusting, repairing, and ordering eyewear. You will help with other office needs including working with the doctors of optometry in the office to provide for patient needs. This is an opportunity to be an integral part of a team helping to better people's lives!

Duties:

- Learn, retain, and apply the knowledge to become an effective Optician.
- Learn, Understand and Apply vision insurance requirements to individual patient needs.
- Manage the Optical.
- Actively participate and demonstrate glasses wear and care techniques for patients and their parents/caregivers.
- Maintain accurate records
- Provide a warm welcoming atmosphere that is conducive to building relationships with patients.

Education:

- Optician Certification, or Associate or Bachelor degree preferred.

Pay:

- 18-21\$ per hour depending on experience

Schedule:

- 40 hours a week, Full Time Position

Benefits:

- Health insurance
- 2 weeks of paid vacation per year
